

Leonard O'Neill

President

Mr. O'Neill has been the head of the Hotel Employees Union for the past 34 years in Monterey and Santa Cruz counties

UniteHere! represents low wage earners who live paycheck to paycheck. Our area is significantly difficult in the winter months as the visitors drop off rapidly and with us - No Guests...No Work.

California works because we do...but we need to boost the Tourism levels to some degree as livelihoods depend on it.

Mr. O'Neill has also been a coach in various high school sports and is the father of 3 college students.
